

Cheerleading:

Set to music, participants (ages 5-12) will learn cheerleading, dance, baton twirling and other skills resulting in a performance routine typically seen at a football, basketball or other sport's halftime. The routine could include batons, poms, flags, ribbons, juggling, etc. Instructors from the Star Attraction School of Modeling, Baton Twirling and Related Arts will administer the program. In addition, participants will have the option to perform in a Halloween Parade with Star Attraction (www.msmaj.net).

The program will be held in the Gauntlett Community Center. Sneakers are required.
